Summertime In New Orleans

Anders Osborne

On a front stoop in my houseWatching folks go by
Lazy days chewing on ice
I'm just waiting on JulyAnd 'OZ plays Irma Thomas
And we all know what it means
Rag-a-tag of rain
City so slow
It's summertime in New OrleansAnd all my friends are getting drunk on Sunday
You know they just trying to keep cool
I'm hanging out with these fools playing card games
And my new best friend who's got a pool
And 'OZ plays James Andrews
Yeah we all know who that is
Rag-a-tag of rain
City so slow
It's summertime in New OrleansDrinking gallons of daiquiris
Eating snowball in the cone
Slow drive by the lake
And I'm doing 35 through all the school zones
My brand new AC unit just brokeAnd 'OZ plays Kermit Ruffins
You know he's barbecuing up at Vaughan'sRag-a-tag of rain
Smoking a J
It's summertime in New Orleans
The garbage truck just passed you up
And that potent smell of seafood shells
Sweet bloom magnolia trees
Yeah that's summertime in New OrleansYeah I'm taking a buggy ride with my wife through the Quarter
We're drinking hurricanes listening to Tuba Fats
Little kids keep splashing water
And the gutter punks next to the gentlemen in straw hatsAnd 'OZ plays Satchmo
Satchmo baby yeah you know who that isRag-a-tag of rain
City so low
Summertime in New OrleansRag-a-tag of rain
City so slow
Summertime in New Orleans
