

# Sleepy Time Time

## Cream

I'm a sleepy time baby, a sleepy time boy  
Work only maybe, life is a joy  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
Sleepy time, time  
Sleepy time, time all the time  
Asleep in the daytime, asleep at night  
Life is all playtime, workin' ain't right  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
A sleepy time, time  
A sleepy time all the time  
I have my Sunday, that ain't no lie  
But on Monday morning in my favorite cry  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
We'll have a sleepy time, time  
A sleepy time, time  
Sleepy time all the time
