

Morning Dew (BBC Radio 2 session)

Robert Plant

Walk me out in the morning dew my honey
Walk me out in the morning dew today;
Can't walk you out in the morning dew my honey
Can't walk you out in the morning dew today!Thought I heard a young girl cry mama,
Thought I heard a young girl cry today-
You didn't hear no young girl crying mama,
You didn't hear no young girl cry today!Thought I heard a young man cry mama-
Thought I heard a young man cry today-
You didn't hear no young man crying mama
You didn't hear no young man cry today!Now, there's no more morning dew
Now, there's no more morning dew-
What they've been saying all these years is true
Now, there's no more morning dew!
