

# Don't

Chris Jamison

I met this girl late last year  
She said don't you worry if I disappear  
I told her I'm not really looking for another mistake  
I called an old friend  
Thinking that the trouble would wait I went away for months until our paths crossed again  
She told me I was never lookin' for a friend  
Maybe you can swing round my room about 10  
Baby bring the lemon and a bottle of gin  
We'll be in between the sheets till the late AM  
Baby if you wanted me you should have just said She's singing Don't with my love  
That heart is so cold  
All over my home  
I don't wanna know that babe  
Don't with my love  
I told her she knows  
Take aim and re load  
I don't wanna know that babe On my hotel door I don't even know if she knows what for  
She was crying on my shoulder I already told ya  
Trust and respect is what we do this for  
I never intended to be next  
But you didn't need to take him to bed that's all  
And I wasn't looking for a promise to commitment  
But it was never just fun and I thought you were different  
This is not the way you realise what you wanted  
It's a bit too much too late if I'm honest  
And all this time god knows I'm singin' Don't with my love  
That heart is so cold  
All over my home  
I don't wanna know that babe  
Don't with my love  
I told her she knows  
Take aim and re load  
I don't wanna know that babe Don't with my love  
That heart is so cold  
All over my home  
I don't wanna know that babe Don't with my love  
I told her she knows  
Take aim and re load  
I don't wanna know that babe
