

The Little Girl I Once Knew

Beach Boys

We met when she was younger
Then, I had no eyes for her
A few years went by and I saw her
Now I'm gonna try for her
Look out babe
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
How could I ever have known that
She'd be what she is today?
And look at how her boyfriend holds her
I'll be moving in one day
Split man
She's not the little girl I once knew

She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
La doo day p-pow pow pow
La doo day p-pow pow pow
La doo day p-pow pow pow
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
She's not the little girl I once knew
