

# Prove It to You (feat. Lenachka)

[Kris Allen](#)

Maybe I got used to your face,  
Maybe we ran out of things to say  
I heard a voice in the back of my head  
Telling me don't you wanna come and taste it?  
Into the night, into the wild  
Came like a hunger and I had to chase it I know I had to let you go  
But I found out that on my own  
That you were always the one  
I don't think I deserve you,  
But I feel like I'm gonna love you  
For all my life, no matter what I do!  
Give me a chance, give me a chance  
To prove it to you You are the face in all my dreams  
(Give me a chance, give me a chance)  
All of the memories haunting me  
I hear your voice in the back of my head  
Sounding a lot like coming back  
So I ran into your eyes, into the fight  
What will you do if I do that? I know I had to let you go  
But I found out that on my own  
That you were always the one  
I don't think I deserve you,  
But I feel like I'm gonna love you  
For all my life, no matter what I do!  
Give me a chance, give me a chance  
To prove it to you Feel like I'm out here lost  
Counting away the cost  
So, will you give me a chance, give me a chance I know I had to let you go  
But I found out that on my own  
You were always the one  
I don't think I deserve you,  
But I feel like I'm gonna love you  
For all my life, no matter what I do!  
Give me a chance, give me a chance  
Oh, won't you give me a chance, give me a chance  
To prove it to you?
