Lie Awake

Alison Krauss & Union Station

I wanna run away
Don't come out looking 'round
Too busy dealing with it on my own
He's right behind me
Please God I can't be found
Don't cast another stone
Feel out the night, until the sunrise
The city tells me not to go 'til dawn
And if he wakes that's when my heart breaks
And I'm as good as goneHow do I lie awake now
When I know I've got to be moving on
How do I lie awake now
When nothing's right and nothing's wrongAnd in the end
Will we make our amends
Just like we're face to face another dawn
And in the light, or when the moon shines
Will you take me on home?How do I lie awake now
When I know I've got to be moving on
How do I lie awake now
When nothing's right and nothing's wrong
