Icicle

Tori Amos

Icicle, icicle, where are you going? Where are you going? Icicle, icicle, where are you going? I have a hiding place when spring marches in Will you keep watch for me? I hear them callingGonna lay down Gonna lay downGreeting the monster in our Easter dresses Father says bow your head Like the Good Book says Well I think the Good Book is missing some pagesGonna lay down Gonna lay downAnd when my hand touches myself I can finally rest my head And when they say take of his body I think I'll take from mine insteadGetting off, getting off While they're all downstairs Singing prayers, sing away He's in my pumpkin p.j'sLay your book on my chest Feel the word, feel the word Feel the word, feel the word Feel the word and feel itI could have, I should have I could have flown, you know I could have, I should have I didn't solcicle, icicle, where are you going? I have a hiding place when spring marches in Will you keep watch for me? I hear them callingGonna lay down Gonna lay down Lay down Gonna lay down
