## **This Love**

## **Maroon 5**

I was so high I did not recognize

The fire burning in her eyes

The chaos that controlled my mind

Whispered goodbye as she got on a plane

Never to return again

But always in my heart, oh! This love has taken its toll on me She said goodbye too many times before And her heart is breaking in front of me

And I have no choice

Cause I won't say goodbye anymoreWhoa, oh, oh.

Whoa, oh, oh.

Whoa, oh, oh.I tried my best to feed her appetite

Keep her coming every night

So hard to keep her satisfied, oh!

Kept playing love like it was just a game

Pretending to feel the same

Then turn around and leave againBut oh, ohh.

This love has taken its toll on me

She said goodbye too many times before

And her heart is breaking in front of me

And I have no choice

Cause I won't say goodbye anymoreWhoa, oh, oh.

Whoa, oh, oh.

Whoa, oh, oh.Bridge:

I'll fix these broken things

Repair your broken wings

And make sure everything's alright

(It's alright, it's alright)

My pressure on your hips

Sinking my fingertips

Into every inch of you

Because I know that's what you want me to doThis love has taken its toll on me She said goodbye too many times before

Her heart is breaking in front of me

And I have no choice

Cause I won't say goodbye anymoreThis love has taken its toll on me

She said goodbye too many times before

And my heart is breaking in front of me

And she said goodbye too many times before This love has taken its toll on me

She said goodbye too many times before
Her heart is breaking in front of me
And I have no choice
Cause I won't say goodbye anymore
