

Afflicted

Age of Daze

Why did I come here tonight
With all these feelings inside
You're much too good for this life
And all the pain that you hide
I want to take you away
Wipe the tears from your eyes
But all that stands in the way is
That you don't realize Why I am addicted, addicted to you
Like a bad pill, like a sick thrill
I can't get enough of you I am afflicted, afflicted by you
Like a bad pill, like a sick thrill
I can't get enough of You you
You you I want you so bad tonight
That I can almost taste it
I want to take you away
Wipe the tears from your eyes
But all that stands in the way is
That you don't realize Why I am addicted, addicted to you
Like a bad pill, like a sick thrill
I can't get enough of you I am afflicted, afflicted by you
Like a bad pill, like a sick thrill And when it all comes crashing down
Will you still love it
And if tomorrow never comes
At least I had it I am addicted addicted to you
I'm addicted I can't get enough of you
I can't get enough of you I am addicted, addicted to you
Like a bad pill, like a sick thrill
I can't get enough of you I am afflicted, afflicted by you
Like a bad pill, like a sick thrill
I can't get enough of You you
You you
