

# Virtual Boyfriend

## Poly Styrene

I hit the button called 'Send'  
You're my virtual boyfriend  
Didn't mean to offend, it's really coming to an end  
Baby, don't you know?  
I hit the button called 'Send'  
You're my virtual boyfriendYou're like a MySpace friend, that's all  
Just a text or a missed call  
We hardly see each other at all  
Just an email or a callVirtual boyfriend  
A virtual boyfriend  
A virtual boyfriend  
A virtual boyfriendI've had a up, up day  
Threw the credit card away  
Got out of the rut, no need to look back  
I'm looking to the future and I'm not looking back  
I hit the button called 'Send'  
You're my virtual boyfriendYou're like a MySpace friend, that's all  
Just a text or a missed call  
I never knew but I lost control  
That you loved your Blackberry phoneVirtual boyfriend  
A virtual boyfriend  
Virtual boyfriend  
A virtual boyfriendWo-wo, wo-wo-wo  
I can see you  
Wo-wo, wo-wo-wo  
I can't touch you  
I can't touch youI've had a up, up day  
Threw the credit card away  
Got out of the rut, no need to look back  
I'm looking to the future and I'm not looking back  
I hit the button called 'Send'  
You're my virtual boyfriendYou're like a MySpace friend, that's all  
Just a text or a missed call  
Didn't mean what I said at all  
But you never ever callVirtual boyfriend  
A virtual boyfriend  
A virtual boyfriend
