Baby Love

Tim Curry

(by Holland/Dozier/Holland)Baby love, my baby love
I need you, oh how I need you
But all you do is treat me bad
Break my heart and leave me sad
Don't know what did I do wrong
To make you stay away so longBaby love, oh baby love
I'm missing you, oh yes, missing you
Instead of breaking up
Let's do some kissin' and makin' up
Don't throw our love away
In my arms, why don't you stayNeed you (need you)
Need you (need you)
(do do do do) (do do do do) (do do do do) (do do do do)Need to hold you once again, my love
Feel your warm embrace, my love
Don't throw our love away
Please don't do me this way
Not happy like it used to be
Loneliness has got the best of meMy love, my baby love
I need you, oh how I need you
Why you do me like you do
After I've been chasing you
So deep in love with you
Baby, baby
It's hurtin' me, dear, it's hurtin' me
Oh oh oh oh, baby love
Don't throw our love away
Don't throw our love away.
