

Circus

(hed) P.e.

Time to pay
Time to pay
Time to pay
Time to pay
Time to pay, let them burn
Punish and erase me
It's high time I suffer
Count all my addictions
That surprise erection
Dirty obsession
Your blood is on my hands
Our blood is on your hands
So turn away from me, turn away
Take everything away from me
You can still hear me laughing at you
Yeah, well, here I am
This soul cannot be chained
Can I get a witness?
Here I am
This soul cannot be chained
Can I get a witness?
Here I am
So what? Here I stand
I'm gonna see you when I get there
Rock hard dick in my hand
No, I don't expect you to understand shit, shit

In the garden of heathens
Oh man, fuck confession
Now let the motherfucker fall
I watch him fall hard, yeah
Don't turn away from me, turn away
Cut me in half and play with me
Now, both of me are laughing at you
Here I am
This soul cannot be chained
Can I get a witness?
Here I am
This soul cannot be chained

Can I get a witness?
Here I am
This soul cannot be chained
Can I get a witness?
Here I am
This soul cannot be chained
Can I get a witness?
Here I am
Here I am
Here I am
Here I am
