

# More Than a Crush

## Mina Koo

1

No more hiding tonight.  
Oh boy, Im caught in your eyes,  
Beer-cheers all around  
But I only hear your heart poundI know its ironic  
Cant be platonic  
Theres heat in the air  
My breath is getting faster(Chorus)  
Do you wanna ta-ta-taste me  
Am I getting too na-na-nasty  
your sugar lips me-e-elt me  
Ive got more than a, more than a crush  
baby, youre too mu-uh-uh-uch  
Cant stop this ru-uh-uh-ush  
Dont wanna keep it hu-uh-uh-ush  
Ive got more than a, more than a crush2.  
Now the lights are goin down  
In your arms, I drown  
Come on, lets be criminals  
handcuffed by loveYoure my hearts abductor  
My dirty dance conductor  
Break away from this circumstance  
On the run for this romance(Chorus)(br)  
Another night, another day,  
I need your love, wont have it any other way  
I, I, I, Im starving for you, Im craving you, .. Fi-Fi-Fill me up with you.  
Give it, (X 3) to me; I want you badly, baby, Touch me,  
no thinking, feel it. I, I, Ill let you in;(Chorus)
