

# Cold Ethyl

Alice Cooper

One thing I miss  
Is Cold Ethyl and her skeleton kiss  
We met last night  
Making love by the refrigerator light  
Ethyl, Ethyl, let me squeeze you in my arms  
Ethyl, Ethyl, come and freeze me with your charms  
One thing, no lie  
Ethyl's frigid as an Eskimo pie  
She's cool in bed  
Well she oughta be 'coz Ethyl's dead  
Ethyl, Ethyl, let me squeeze you in my arms  
Ethyl, Ethyl, come and freeze me with your charms  
Come on Cold Ethyl  
Freeze me babe  
That's cool  
That's nice  
One thing, it's true  
Cold Ethyl, I am stuck on you  
And everything is my way  
Ethyl don't have much to say  
Ethyl Ethyl, let me squeeze you in my arms  
Ethyl Ethyl, come and freeze me with your charms  
Come here Cold Ethyl  
What makes you so cold? Ooo so cold  
Cold Ethyl  
Cold Cold Ethyl  
Cold Ethyl  
Cold Cold Ethyl  
Cold Ethyl  
Cold Cold Ethyl  
Cold Ethyl  
Cold Cold Ethyl  
If I live 'til ninety-seven  
You'll still be waiting in refrigerator heaven  
'Coz you're cool, you're ice  
Cold Ethyl, you're my paradise
