

# Love Them Like Jesus

## Casting Crowns

The love of her life is drifting away  
They're losing the fight for another day  
The life that she's known is falling apart  
A fatherless home, a child's broken heart  
You're holding her hand, you're straining for words  
You trying to make sense of it all  
She's desperate for hope, darkness clouding her view  
She's looking to you  
Just love her like Jesus, carry her to Him  
His yoke is easy, His burden is light  
You don't need the answers to all of life's questions  
Just know that He loves her and stay by her side  
And love her like Jesus, love her like Jesus  
The gifts lie in wait, in a room painted blue  
Little blessing from Heaven would be there soon  
Hope fades in the night, blue skies turn to gray  
As the little one slips away  
You're holding their hand, you're straining for words  
You're trying to make sense of it all  
They're desperate for hope, darkness clouding their view  
And they're looking to you  
Just love them like Jesus, carry them to Him  
His yoke is easy, His burden is light  
You don't need the answers to all of life's questions  
Just know that He loves them and stay by their side  
And love them like Jesus  
Lord of all creation holds our lives in His hands  
The God of all the nations holds our lives in His hands  
The Rock of our salvation holds our lives in His hands  
He cares for them just as He cares for you  
So love them like Jesus, love them like Jesus  
You don't need the answers to all of life's questions  
Just know that He loves them and stay by their side  
And love them like Jesus, love them like Jesus  
Love them like Jesus, love them like Jesus
