# Light A Match

## The Beautiful Mistake

I try to reach your outstretched hand. Oh why do I?
I try. I fail you.
I try to reach your outstretched hand. Oh why do I?
I try. I fail you.Strike a match, for I deserve to burn
Light a match, for I deserve to burn
Light a match, for I deserve to burn
Light a match, for I deserve to burn
burn, burn, burn, burn, burn, burn, burn.I try to reach your outstretched hand. Oh why do I?
I try. I fail you.
