# Hey Now

## Carl Thomas

Hey now, hey now
You are so wonderful
And I would give anythingHey now, hey now
I would do anything to be in your arms
You are so wonderful, yeah
Hey now, hey nowBaby, I was thinking we could spend a little time
Hope you don't mind, hope you don't mind
Heaven must be missing an angel tonight
But I hope they don't mind, hope they don't mindBaby, I was thinking we could spend a little time
Hope you don't mind, hope you don't mind
Heaven must be missing an angel tonight
But I hope they don't mind, hope they don't mindHey now, hey now
Say I'm the one that you're needing, baby
Hey now, hey now
I think about you all day longHey now, my sweet baby
Do you feel the way I do?
Hey now, sweet, sweet baby
Do you, oh, do you, do you, do you?Hey now, my sweet baby
Do you feel the way I do?
Hey now, sweet, sweet baby
Don't you know, love's waiting here?Baby, the way I'm feelin'
Makes me wanna spend some time
Every time I see you
It's hard to get you off my mindBaby, the way I'm feelin'
Makes me wanna spend some time
Every time I see you
It's hard to get you off my mindBaby, the way I'm feelin'
Makes me wanna spend some time
Every time I see you
It's hard to get you off my mindBaby, the way I'm feelin'
Makes me wanna spend some time
Every time I see you
It's hard to get you off my mindBaby, I was thinking we could spend a little time
Hope you don't mind, hope you don't mind
Heaven must be missing an angel tonight
But I hope they don't mind, hope they don't mindBaby, I was thinking we could spend a little time
Hope you don't mind, hope you don't mind
Heaven must be missing an angel tonight
But I hope they don't mind, hope they don't mindBaby, I was thinking we could spend a little time

Hope you don't mind, hope you don't mind
Heaven must be missing an angel tonight
But I hope they don't mind, hope they don't mindHey now, hey now, oh
