Fight For This Love (Live at O2 Arena)

Cheryl Cole

Too much of anything can make you sick
Even the good can be a curse (curse)
Makes it hard to know which road to go down
Knowing too much can get you hurtIs it better? Is it worse?
Always sitting in reverse
It's just like we're going backwardsI know where I want this to go
We're driving fast but lets go slow
What I don't wanna do is crash noJust know you're not in this thing alone
There's always a place in me that you can call home
Whenever you feel like we're growing apart
Let's just go back, back, back, back, back to the startAnything that's worth having
Is sure enough worth fighting for
Quiting's out of the question
When it gets tough, gotta fight some moreWe gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
If it's' worth having, it's worth fighting for (Oh)Now everyday ain't gon' be no picnic
Love ain't no walk in the park
All you can do is make the best of it now
Can't be afraid of the darkJust know you're not in this thing alone
There's always a place in me that you can call home
Whenever you feel like we're growing apart
Let's just go back, back, back, back, back to the startAnything that's worth having
Is sure enough worth fighting for
Quiting's out of the question
When it gets tough, gotta fight some moreWe gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
If it's worth having, it's worth fighting for (Oh)I don't know where we're heading
I'm willing and ready to goWe've been driving so fast
We just need to slow down
And just rollAnything that's worth having
Is sure enough worth fighting for
Quiting's out of the question
When it gets tough, gotta fight some moreWe gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
If it's worth having, it's worth fighting for (Oh)We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love

We gotta fight, fight, fight, fight, fight for this love
It's worth having, it's worth fighting for (Oh)
