Me Oh My

Cate Le Bon

Me oh my, my oh me
I fought the night and the night fought me
Knocked on the door, used its keyHe and I, I and he
Locked in one piece but he slept and I screamed
Put on his shirt, pretend he's meI saw a light and I carried my head
Pulled at the dawn when she crept in my bed
Broke my heart, stopped me dead
Why oh why does the dark knock on me?
I fought the night 'til the night broke me.
