Over and Over Again

Nathan Sykes

From the way you smile to the way you look
You capture me unlike no other
From the first hello, yeah, that's all it took
And suddenly we had each otherAnd I won't leave you
Always be true
One plus one, two for life
Over and over againSo, don't ever think I need more
I've got the one to live for
No one else will do, and I'm telling you
Just put your heart in my hands
Promise it won't get broken
We'll never forget this moment
Yeah, we'll stay brand-new 'cause I'll love you
Over and over again
Over and over againFrom the heat of night to the break of day
I'll keep you safe and hold you forever
And the sparks will fly, they will never fade
'Cause every day gets better and betterAnd I won't leave you
Always be true
One plus one, two for life
Over and over againSo, don't ever think I need more
I've got the one to live for
No one else will do, yeah, I'm telling you
Just put your heart in my hands
I promise it won't get broken
We'll never forget this moment
Yeah, we'll stay brand-new 'cause I'll love you
Over and over again
Over and over againGirl, when I'm with you I lose track of time
When I'm without you you're stuck on my mind
Be all you need till the day that I die
I'll love you
Over and over againSo, don't ever think I need more
I've got the one to live for
No-one else will do, yeah, I'm telling you
Just put your heart in my hands
Promise it won't get broken
We'll never forget this moment
Yeah, we'll stay brand-new 'cause I love youOver and over againYeah, over and over againOver and over again
