

# A Day In the Sun

[Anneliese van der Pol](#)

Every thing's working out fine  
You've got all the things you want and I've got mine  
No more struggle and strife  
Kickin' back and diggin', it's a wonderful life  
And then you awoke  
To start the day out laughing  
It's some kind of a joke  
Everybody's waiting for a day in the sun  
Everybody's working hard to have some fun  
First you want a million then a million and one  
Everybody's waiting for a day in the sun  
City girls and small town boys  
Big time spenders with expensive toys  
Pretty people who don't look so good  
Some are mopping floors and some are chopping wood  
But they try and they try  
Waiting for the clouds  
To disappear from the sky  
Everybody's waiting for a day in the sun  
Everybody's working hard to have some fun  
First you want a million then a million and one  
Everybody's waiting for a day in the sun  
Everybody's doing everything they can  
Some will count on luck and some will make a plan  
If you want to get it, got to get it done  
Everybody's waiting for a day in the sun  
Mama said, "Listen to me  
I can't tell you what your life's gonna be  
Every day there's something new it's true  
A light could shine on you"  
But they try and they try  
Waiting for the clouds  
To disappear from the sky
