Stop!

The Bens

Tell yourself a biggest lie, lose yourself
You can't run, but you can't hide, lose yourself
Baby, it's your timeTell your momma that you're fine, lose yourself
Fall back on the party line, lose yourself
Honey, let's go blindAnd please don't listen to a word that I say
Just stop!
There's a world inside a world that's not okay
Oh, just stop!And go, when you're faster than ever
I want to see you now
And you want to feel me because it's like
I-i-iceDon't you know I'm leaving soon and I'll lose myself
I don't know if I'll be alright when I lose myself
Oh, baby, we'll be fineAnd please don't listen to a word that I say
Oh, just stop!
There's a world inside a world that's not okay
Come on, baby, just stop!And you feel so unreal and it's not true
And you know what you're going to do
Yeah, you don't know what you're gonna see
When the monsters come out like meLike me, oh, baby, you are so bright
You're so bright when you stop!
