

# Walking In The Shadow

## Accept

All my fire ain't gone inside  
Only with you I will survive  
And I live in a shadow of this wall  
With fifty-eight thousand all in all I surrender - I surrender  
Heart'n'soul's gone to nowhere Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night For the very first time in your life  
You've not been the last in line  
You have to die instead of me  
Do I have to live for you now Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night  
In the night Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night  
Oh yeah Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night  
In the night in the night
