

# Such Great Heights (Iron and Wine cover)

## The Postal Service

I am thinking it's a sign  
That the freckles in our eyes  
Are mirror images  
And when we kiss they're perfectly aligned And I have to speculate  
That God Himself did make  
Us into corresponding shapes  
Like puzzle pieces from the clay And true it may seem like a stretch  
But it's thoughts like this that catch  
My troubled head when you're away  
And when I am missing you to death And when you are out there on the road  
For several weeks of shows  
And when you scan the radio  
I hope this song will guide you home They will see us waving from such great heights  
Come down now, they'll say  
But everything looks perfect from far away  
Come down now but we'll stay I tried my best to leave  
This all on your machine  
But the persistent beat  
It sounded thin upon the sending And that frankly will not fly  
You'll hear the shrillest highs  
And lowest lows with the windows down  
And this is guiding you home They will see us waving from such great heights  
Come down now they'll say  
But everything looks perfect from far away  
Come down now but we'll stay They will see us waving from such great heights  
Come down now they'll say  
But everything looks perfect from far away  
Come down now but we'll stay (They will see us waving from such great heights)  
(Come down now)  
They will see us waving from such great heights  
(Come down now)
