

(I've Just Begun) Having My Fun

Britney Spears

Here is a little story that I made up
So let's make believe
Four years ago I had a party
That was too much fun for me
Boy there's a sexy guy
He'd surely give me everything I need
Sometimes I let temptation go too far
And get the best of me
All I gotta say is
I just wanna have some fun
And I'll do it until I'm done
I'm telling you I'm just a crazy kind of girl
I'll tell it to the world
I've just begun having my fun, yeah
Inside me there's something I found
I wanna shop around
I just begun, don't wanna settle down
The conversation was goin' over 'til I turned my hair
He started touching me and kissing me
Like he didn't care
I thought at first I should go home
But then fell asleep in the chair
All I gotta say is
I just wanna have some fun
And I'll do it until I'm done
I'm telling you I'm just a crazy kind of girl
I'll tell it to the world
I've just begun having my fun, yea
Inside me there's something I found
I wanna shop around I just begun
Don't wanna settle down I'm just a crazy kind of girl
I'll tell it to the world
I've just begun having my fun, yeah
Inside me there's something I found
I wanna shop around I just begun
Don't wanna settle down I just wanna have a good time
I just wanna be myself
And don't let anybody tell you it's any differently
I wanna enjoy the sunshine
And do the things that I need
To see what feels good to me I'm just so crazy
I'm just a crazy kind of girl
I'll tell it to the world

I've just begun having my fun, yea
Inside me there's something I found
I wanna shop around I've just begun
Don't wanna settle down I've just begun, I've just begun
Having my fun, yeah
I've just begun, I've just begun
Having my fun, yeah
