

# Sinner Saved By Grace

## The Cathedrals

If you could see what I once was, if you could go with me  
Back to where I started from then I know you would see  
A miracle of love that took me in its sweet embrace  
And made me what I am today just an old sinner saved by grace

I'm just a sinner saved by grace  
When I stood condemned to death He took my place  
Now I live and breathe in freedom with each breath of life I take  
I'm loved and forgiven, back with the living  
I'm just a sinner saved by grace

How could I boast of anything that I've ever seen or done  
How could I bear to claim as mine the victory's God has won  
Where would I be had God not brought me gently to this place  
I'm hear to say I'm nothing but an old sinner saved by grace
