Empty Space

The Story So Far

All that I know
Is your space is empty
Its buried below
The stress and the envy
All the places I go
It still hasnt left me
I hated it then
And now it consumes me
I dwell on it nightly
Tread swiftly and lightly
Make up the lost ground
And see what you dont see
All questions aside
I asked and you lied
And now my hands are tiedAll I can show
Is absence from your life
That I cant control
Its all that I get right
Keep paying the toll
I know that it seems likeIm always upset
I know it seems like I'm always upset
(I know it seems like I'm always upset)All that I know
Is your space is empty
Its buried below
It still hasnt left me
All that I know
Is your space is empty
Its buried below
It still hasnt left
I dwell on it nightly
Tread swiftly and lightly
Make up the lost ground
And see what you dont see
All questions aside
I asked and you lied
And now my hands are tied
Dwell on it nightly
Tread swiftly and lightly
Make up the lost ground

And see what you dont see
All questions aside
I asked and you lied
And now my hands are tied
