

You Are My Heroin

Boy George

It's great to be young
It's great to be young Didn't anyone tell you
That life was a lousy substitute?
You're not packing with angels now
In your undertaker's suit It's funky down in the gutter
That's what all the bitches say
I'll just call it a celebration
If the Devil walks my way You, you are my heroin
You, you are my heroin Welcome into the garden, Sarah
Come see how my roses die
We were looking for Heaven
Couldn't bear to pass you by There are stories of bad luck, yeah
But they come to bless us all
If it's true that you doubt it
Go ask Alice when she's ten feet tall You, you are my heroin
You, you are my heroin
You, you are my heroin It's great to be young
It's great to be young
It's great to be young I was talking to sweet thing
She said, "Hang your horses high"
There are jokers and tokers
Here's some pills and you ought to try Some say, "It's a vacation"
Some say, "I will never die"
God, won't stop at my station
Hear all the mothers cry You, you are my heroin
You, you are my heroin
You, you are my heroin You keep saying, "Kick it, quit it"
Lord, but did You ever try
To turn Your sick soul inside out
So that the world can watch You die Home is where I live inside
My home is filled with pain
And it might not be such a bad idea
If I never went home again You, you are my heroin
You, you are my heroin
You, you are my heroin There are stories of bad luck, yeah
But they come to bless us all
If it's true that you doubt it
Go ask Alice when she's ten feet tall You, you are my heroin
You, you are my heroin

You know that it's trueIt's great to be young
