Fall In Love Again

Mark Schultz

Each night I sit alone
I dial you on the phone
But you're not there
Oh, are you there?
Can't keep my heart from breakin'
Can't keep my mind from thinkin'
You're not here
I need you here
Just because you feel alone
It doesn't mean we're letting go
I will be with you 'til the very end
CHORUS:
Don't close your eyes
Don't say goodbye
Don't let the tears fall from your eyes
I can't help but think about you night and day
When you stumble,
When you fall
I'll help you make it through it all
When I think of you

I fall in love again
Can't teach my heart to listen
Oh, it just keeps on missin'
How it was
Memories of
You right there by my side, oh
Never dreamed of letting go
And now you're gone
It feels so wrong
Just because you feel alone
It doesn't mean we're letting go
I will be with you 'til the very end...
CHORUS
I believe in faith above
In givin' everlasting love
And I believe there is a chance for us....
CHORUS
