

# I'm a Steady Rollin' Man

Robert Johnson

I'm a steady rollin' man, I roll both night and day  
I'm a steady rollin' man, I roll both night and day  
But I haven't got no sweet woman, boys, to be rollin' this way I'm the man that rolls when icicle's hangin' on  
the tree  
I'm the man that rolls when icicle's hangin' on the tree  
And now you hear me howlin', baby, down on my bended knee I'm a hard workin' man, have been for many  
years, I know  
I'm a hard workin' man, have been for many long years, I know  
And some cream puff's usin' my money  
Ooh, babe but that'll never be no more You can't give your sweet woman  
Everything she wants in one time  
Ooh ooh, you can't give your sweet woman  
Everything she wants in one time  
Well, boys, she get ramblin' in her brain  
Some monkey man on her mind I'm a steady rollin' man, I roll both night and day  
I'm a steady rollin' man and I roll both night and day  
Well, I don't have no sweet woman, boys, to be rollin' this way
