

# Struggle No More

## Kindred The Family Soul

Oh I, oh I, oh I, oh I, oh I, oh I  
(I'm sick and tired, sick and tired)

Oh I, oh I, oh I  
(Just sick and tired, sick and tired)

Oh I, oh I, oh I  
(So sick and tired)

Lately it's been hard times  
I'm talking about the financial side  
And they say when it rains it pours  
Well, it's running at my door  
If it ain't one thang, one thang it's another  
And I'm so glad that we got each other  
I'm so sick and tired of being stressed out  
Lord, please help me from this mess I'm in

I don't want to struggle no more  
I know that I deserve so much more  
I wanna pay my bills when they're due  
I wanna big house with a pool  
I wanna give my gift the best  
So she don't have to settle for last  
I don't want to live chick to chick

Is that too much to expect  
Every day and every night I pray  
Lord, please help me find a way, yeah  
To stay strong and keep my sanity  
So I can provide for myself and my family  
And I'm so glad they believe in me  
'Cause they love and gives me energy, energy, yeah

And without them I couldn't make it  
So I'ma keep pressing on, on and on

I don't want to struggle no more  
I know that I deserve so much more  
I wanna pay my bills when they're due  
I wanna big house with a pool  
I wanna give my gift the best  
So she don't have to settle for last  
I don't want to live chick to chick

Is that too much to expect  
I wanna see my family

Get what they want, have what they need  
I wanna see with the finer things  
Like the job and the watches reminding me  
I don't wanna strug-struggle no more  
Don't wanna live out here broke  
Stay on the scene with the finer things  
Like the spot that I got that's reminding me  
I don't want to struggle no more  
I know that I deserve so much more  
I wanna pay my bills when they're due  
I wanna big house with a pool  
I wanna give my gift the best  
She shouldn't have to settle for last  
I don't want to live chick to chick  
Is that too much to expect  
I don't want to struggle no more  
I know that I deserve so much more  
I wanna pay my bills when they're due  
I wanna big house with a pool  
I wanna give my gift the best  
She shouldn't have to settle for last  
I don't want to live chick to chick  
Is that too much to expect, oh  
Oh I, oh, I, oh, I
