

# Rabia

## El Cholo

I am the last great victim  
Back up  
Split out of here  
Get out of here  
I am the only one  
No one else what do you gain  
Split out of here  
Get out of here  
I am the last one  
I am the solitary one  
If you don't understand  
Split out of here  
Get out of here  
I don't even know you  
Why are you staring  
Why are you fronting  
Face to face  
I don't even know you  
Why are you staring  
I'm gonna show you head on  
Rage  
What do you want  
Who are you  
I am rage  
I am the hurricane  
Only one no one else  
You are no one to me  
You want nothing for me  
I know you understand  
Split out of here  
Get out of here  
You want nothing for me  
I want nothing for you either

I am the hurricane  
You will be my victim  
I know you understand  
Split out of here  
Get out of here

I dont even know you  
Why are you staring  
Why are you fronting  
Face to face  
I dont even know you  
Why are you staring  
Im gonna show you head on  
Rage  
What do you want  
Who are you  
I am rage  
I am the last great victim  
I am the only one  
No one else  
I know you understand  
Split out of here  
Get out of here  
I dont even know you  
Why are you staring  
Why are you fronting  
Face to face  
I dont even know you  
Why are you staring  
Im gonna show you head on  
Rage  
What do you want  
Who are you  
I am rage
