

Nixon's Spirit

Paul Oakenfold

{This message is for Paul Oakenfold, eh how are you?
Its Anita Baymont, Hunter Thompson's assistant
I'm going through the messages
And I'm just getting back to you to let you know
That Hunter did get the cds
I've listened to them and I'm excited and
Hunter has listened to them and
He is interested
So eh we'll give you call back in a couple of days
Yeah so um, great stuff, we'll talk soon, thanks bye}{We must read this
Nixon's spirit will be with us for the rest of our lives
Whether you're a me or Bill Clinton or you or Kurt Cobain or
Bishop Tutu or Keith Richards or Aimee Fisher or Boris Yeltsin's Daughter or her finance's sixteen year old
beer drunk brother
With his braided goatee and his whole like a
Thunder cloud right in front of him}{This is not a generational thing
You don't even have to know who Richard Nixon was
To be a victim of his ugly Nazi experiments}{He has poisoned our water for ever
Nixon will be remembered as a classic case
Of a smart man shitting in his own nest
But he also shit in our nest and that was a crime
That history will burn on his memory as a brand
By disgracing and degrading the presidency of the United States
By fleeing the White House like a diseased cur
Richard Nixon broke the heart of the American dream}
