

# Ghost

Ingrid Michaelson

Do you remember when the walls fell?  
Do you remember the sound that the door made  
when you closed it on me?  
Do you know that I went down to the ground  
landed on both my broken hearted knees?  
I didn't even cry  
because pieces of me had already died.Chorus:  
I'm a ghost, haunting these halls.  
climbing these walls that I never knew were there  
and I'm lost, broken down the middle of my hard heart.  
I'm broken down the middle of my hard heart.  
You know you make me a ghost.I'm an invisible disaster.  
I keep trying to walk  
but my feet don't find the solid ground.  
It's like living in a bad dream  
I keep trying to scream  
but my tongue has finally lost its sound.  
I've got to say goodbye  
to the pieces of me that have already died.Chorus:  
I'm a ghost, haunting these halls.  
climbing these walls that I never knew were there  
and I'm lost, broken down the middle of my hard heart.  
I'm broken down the middle of my hard heart.  
You know you make me a ghost.oh you make me ghost  
you make me a ghost  
you make me a ghostI don't cry, I don't try anymore  
and I'm lost, broken down the middle of my hard heart  
I'm broken down the middleI'm a ghost, haunting these halls  
climbing up walls that I never knew were there  
and I'm lost, broken down the middle of my hard heart  
I'm broken down the middle of my hard, heart  
you know you make me a ghost.
