

Woman's Touch

Miles Kane

(Whoa !)

I've been up in all my dreams
Screaming out in ecstasy
And down to reality
There's something coming over me
What you see is what you get
With fingers on the cigarette
You got a face I can't forget
But I've smoke my memory
I'm delving into another world
That I found
That I found
Come on
Come and crank it up
I want it louder
I want the winner's luck
I see my future
Inside that woman's touch
That woman's touch
That woman's touch
We were talking way to loud
But where we go we hit the ground
No one else will be allowed
You won't need to know the time
Evidently into you
I am gonna wait for you
Before the night is over
I'm gonna try and blow your mind
I'm gonna blow your mind !
I'm delving into another world
That I found
That I found
Come on
Come on and crank it up
I want it louder
I want the winner's luck
I see my future
Inside that woman's touch
That woman's touch
That woman's touch
I know when I'm moving
I can feel it fall
I know what I'm doing
You know I want more
Yeah
Come on
Come on and crank it up
I want it louder
I want the winner's luck

I see my future
Inside that woman's touch
That woman's touch Woaah Woaah
Woaah Woaah
Woaah Woaah
Woaah Woaah
Woaah Woaah
That woman's touch
That woman's touch
