

The Night Stalker

Bewitched

[Music and lyrics by Vargher]Prowling the streets, dressed all in black
As he enters your home, no turning back
A soldier of Satan, determined to win
Slashing your throat with an infernal grinHonouring the Devil with human lives
Possessed by demons, on evil he thrives
"Swear on Satan, swear you won't scream"
The last words you'll hear in the knives' gleamA reign of terror, people living in fear
He's walking in shadows, the stalker is near
Corpses are left battered, stabbed, shot and raped
Noone can escape the Night Stalkers fateA pentagram in blood is left at the scene
The mark of the Beast, showing where he's been
A servant of Satan, living for sin
Lucifers child, Hellfires burning within[DEDICATED TO RICHARD RAMIREZ]
