

# Dream On

## T.P. Allstars

I'm singing there on the moon  
We cannot see the sunshine  
The city is too great for us  
I hope to see the moon tonight again  
I like to think when you're with me  
And stay in only my mind  
I dream to go so far with you  
But now we have to wait tonight againDream in the moon  
I'm singing in the night  
Light up your eyes  
Dream in the night  
I'm singing on the moon  
Light up your eyesI'm singing there on the moon  
Now I can see the sunshine  
This space is beautiful for me  
I want to stay alone tonight again  
Then music goes to my heart  
I feel the peace in my mind  
So in the morning I come back  
But now want to see tonight againDream in the moon  
I'm singing in the night  
Light up your eyes  
Dream in the night  
I'm singing on the moon  
Light up your eyes
