## Stylo G

We are yardie, yardie, and we go thru di jam Bob Marley  
Been with you a mess anytime we apart  
And we go thru di beat Bob Marley  
Blackberry phone every time gyal call  
Slim to remorse to Roberto Cavalli  
Call mi a yardie, call mi a yardie  
Mi luv Benz and Beemers and Harley  
Call mi a yardie, call mi a yardie  
Mi luv Benz and Beemers and Harley  
Mi luv Benz and Beemers and Harley  
And we go thru di beat Bob Marley  
Blackberry phone every time gyal call  
Slim to remorse to Roberto Cavalli  
Call mi a yardie, call mi a yardie  
Mi luv Benz and Beemers and Harley  
Call mi a yardie, call mi a yardie

Wizin shun mi a benz when a party  
And di gyal they lock demself inna dia Harley  
I'mma kung-fu, ni amma deal with karate  
How many one people imma need to a tackle  
Call mi a yardie, call mi a yardie  
Mi a fight for right like Marcus Garvey  
Call mi a yardie, call mi a yardie

She a luv mi attitude, she got me tell she want a yardie  
She a wine thro mi sum like a Texas outtie  
She cum take di Benz take di Lexus from mi  
Call mi a yardie, and I'm a John Gotti

They in Africa know I'mma be here a party

Everywhere we turn, is mi turn, we are yardie  
We are ? Proud our nation  
What when we fly off that car, we are yardie  
Call mi a yardie, call mi a yardie  
Mi luv Benz and Beemers and Harley  
Call mi a yardie, call mi a yardie  
Mi luv Benz and Beemers and Harley
