

Close Your Eyes (Remixed by Faze Action)

Bebel Gilberto

You know you can feel the breeze with patience of a lifetime
Dance above the trees to the rhythm in your mind
Gently touching your skin inside out
Floating on the seas, it carries me around You can close your eyes and never be alone
(4X)Penso em vocÃª, sinto um gosto de mar
Nos grÃ£os de areia, e eu a rolar
Vou rodar o mundo, mas aqui Ã© o meu lugar
Eu vou rodar o mundo mas aqui Ã© o meu lugar You can close your eyes and never be alone
(4X)Since the day I left, from the start
I can feel megabytes of memories in my heart
Wish I disappear and wake up in some other place
Where there's no pain or fear, is simple like 'Hello' You can close your eyes and never be alone
(4X)
