

Nothing to Do

Sparks

I want you
I want you bad
I need you
I need you
I do, I really do Better drop the requirement that
Everything be great
Nothing to do, nothing to do
Nothing to do, nothing to do I come home
I throw my coat down
I spin round
I plop down
Gimme a break, a break Better drop the requirement that
Everything be great
Nothing to do, nothing to do
Nothing to do, nothing to do If I had a million thumbs
I'd twiddle, twiddle
But I just have two
Nothing to do, nothing to do
Nothing to do, nothing to do I see you
I don't want much
Just something
A little something
To do, to do Better drop the requirement that
Everything be great
Nothing to do, nothing to do
Nothing to do, nothing to do
