E.T. Phone Home (Radio C-C-Cut)

S.P.O.C.K

This was not really meant to be
But some things in the night were frightening me
I hid behind a tree, hoped the things would go awayMy friends got worried, they were waiting for me
Because we had to leave now - EMERGENCY
I was still behind the tree
And they just couldn't stay
I'm all alone - E.T. phone home
Now I'm on my own - E.T. phone homePlease, I don't want to stay
Don't leave me here, take me away
Let me make one more call
I saw my ship lift from the ground
I heard shouting voices all around
So I didn't make a sound
And the things went awaySo here I am and I don't know what to do
Should I try to contact someone like you?
I'm all alone - E.T. phone home
Now I'm on my own - E.T. phone home
