

I Could Write a Book

Betty Carter

If they asked me I could write a book.
About the way you walk and whisper and look.
I could write a preface on how we met.
Then the world would never forget.
And the simple secret of the plot.
Is just to tell them that I love you a lot.
And the world discovers When my book ends.
How to make two lovers of friends. And the simple secret of the plot.
Is just to tell them that I love you a lot.
And the world discovers when my book ends.
How to make two lovers of friends.
How to make two lovers of friends.
