Lights, Camera, Action

Lloyd

[Talkin: Lloyd]Yo do you love me yes but do you trust me a course I do baby cause uh I wanna try something
With you that I never tried with anyone else before is you with it you know I'm with it just tell me what you want me to do
[Chorus: x2]You go hit the lights I'll go get set the camera let's get to the action
[Verse 1:]I been thinkin' bout this 4 some time I got an freaky imtation burning deep inside you see the script already rollin'
Yo the bedroom is the static I hope you know your lines cause one take is all we get

[Chorus: x2]You go hit the lights I'll go get set the camera let's get to the action
[Verse 2:]By the time is this over girl I'm a make you a star I promise now I'm director in is dues you the leading lady girl in my show (you da leading lady)
Your body got me girl do all the stunts on my own believe that girl can turn phone off I be quiet on the set and you better know your lines cause one take is all we get
[Chorus: x4]You go hit the lights I'll go get set the camera let's get to the action
[Break:]We gon rewind do it one more time & play back our lines on the wide screen baby don't stop till I say cut cameras up, cameras up keep them rollin yeah we rollin [x3]
