# Intro

## Starbomb

[Egoraptor:]
Hello, everyone!
I... am Egoraptor.
And welcome to the first album of
STARBOMB!
A holy-shit-amazing new band I created with these guys:
Ninja Sex Party

[Danny Sexbang:]
Hello.
My name is Danny Sexbang.
I'm the lead singer of Ninja Sex Party.
That band he was just talking about.
And this here is Ninja Brian.
Say hi, Ninja Brian.

[Ninja Brian:]
[?]

[Ego:]
Fantastic.

[Ego:]
Now, before we begin annihilating your fucking soul with tasty-ass jams,

Or Mario.
Or... the... Metroid girl.

Which means, according to the exact text of the law:
Ahem, "The fair use of a copyrighted work including such use by reproduction and copies of photo records, or by any other... Fucking means specified by that section for purposes such as... Uh, shit like criticism, comment, teaching, scholarship, or research is not a God damn infringement of copyright.
I guess what we're saying, Nintendo...
We love you.
Thanks for not suing us.
Now let's commence the rock!
