Do I Make You Proud

Taylor Hicks

I've never been
The one to raise my hand
That was not me
And now that's who I am
Because of you
I am standing tall
My heart is full
Of endless gratitude
You were the one
The one to guide me through
Now I can see
And I believe
It's only just beginning
This is what we dream about
But the only question with me now
Is, do I make you proud?
Stronger than I've ever been now
Never be afraid of standing out
But do I make you proud?
I guess I've learned
To question is to grow
That you still have faith
Is all I need to know
I've learned to love
Myself in spite of me
And I've learned to walk
The road that I believe
This is what we dream about
But the only question with me now
Is, do I make you proud?
Stronger than I've ever been now
Never be afraid of standing out
But do I make you proud?
Everybody needs to rise up
Everybody needs to be loved
To be loved
This is what we dream about
But the only question with me now
Is, do I make you, do I make you proud?

This is what we dream about
But the only question with me now
Is, do I make you proud?
Stronger than I've ever been now
Never be afraid of standing out
Do I make you proud?
This is what we dream about
But the only question with me now
Is, do I make you proud?
Stronger than I've ever been now
Never be afraid of standing out
Do I make you proud?
This is what we dream about
But the only question with me now
Is, do I make you, do I make you proud?
