Take Me Away

Melody Club

She said she wasn't sorry
She told me not to worry
She said, oh yeah
I want to be your lover
Boy, you're like no other
She said, oh yeah

We've got love and love is all we need to start

Take it to my heart
Hey hey, take me away
Take it to my heart
Hey hey, take me away

Take it to the rooftop
Baby let your cool drop
Hey, oh yeah
EverybodyÂ´s talking
We just keep on walking away

Oh yeah
WeÂ´ve got love, we shouldnÂ´t let it fall apart

Take it to my heart
Hey hey, take me away
Take it to my heart
Hey hey, take me away
Take it to my heart
Take it to my heart, take me away
Take it to my heart
Hey hey, take me away

Take it to my heart
Take it to my heart
Take it to my heart
Take it to my heart
