

# Best of My Life

\*NSYNC

Girl don't say that's it's over  
'Cuz you are a part of me, yeah  
Girl just hold on  
Please tell me what is wrong with us Could it be that you're lonely  
Could it be that I didn't care  
Tell me please girl  
That you are still feelin' for me Girl where is the love  
That we used to know, our love  
All these beautiful days that we used to share  
So tell me please what can I do I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you And you know that I miss you  
And you know I can't live without you  
I'm prayin' each day  
That your love will come back my way In my dreams I still hold you  
In my dreams are you still with me  
Please don't hesitate  
'Cuz girl I can't wait for your love Girl where is the love  
That we used to know, our love  
All these beautiful days that we used to share  
So tell me please what can I do I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you Where is the love we used to know  
All the beautiful days that we used to share I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you I will give you the best of my life  
Yes, I'll give you all that you need  
Anything that you want I will give it to you
