

Till I Waltz Again With You

Teresa Brewer

Till I waltz again with you
Let no other hold your charms
If my dreams should all come true
You'll be waiting for my armsTil I kiss you once again
Keep my love locked in your heart
Darling, I'll return and then
We will never have to partThough it may break your heart and mine
The minute when it's time to go
Remember dear, each word divine
That meant I love you soTill I waltz again with you
Just the way we are tonight
I will keep my promise true
For you are my guiding lightTill I waltz again with you
Keep my love locked in your heart.
Darling, I'll return and then
We will never have to partThough it may break your heart and mine
The minute when it's time to go
Remember dear, each word divine
That meant I love you soTill I waltz again with you
Just the way we are tonight
I will keep my promise true
For you are my guiding lightMy light, my light
I will keep my promise true
Till I waltz again with you
