The Girl at the Video Game Store

Parry Gripp

Down at the mall
Is the one who's got it all
The answer to my prayers
Just two doors down from sears
I was surprised
'Cause they mostly hire guys
She's the girl, she's the girl at the video game storeShe's smart
And she's sweet
And she knows all the cheats
Her thumbs are lightning fast
At Tekken she'll beat your ass
She was nice to me
She helped me buy my Wii
She's the girl
She's the at the video game storeI was alone playing by myself
Overnight, was so alone
There must be something else
Then she gave me her code
Now she's on my friends list
She stole my heart
I hope this joy is never endingI was alone playing by myself
Overnight, was so alone
There must be something else
Then she gave me her code
Now she's on my friends list
She stole my heart
I hope this joy is never endinggirl: You should really get the membership card

guy: I totally want thatShe was nice to me
She's my final fantasy
She's the girl at the video game store
She's the girl at the video game store
She's the girl at the video game storeYeah!-laughter as song fades-
